Now, if you feel that strongly in support of Hoge, Grady/Krendler, Ashterah Sparkie Pony and Edgren's defamation of me? Here's a suggestion.

Liberal Grouch @Grouchcast365 9h

Give me your full name and address. I will join you as a defendant to the suit, and you can show your support in a tangible manner. #cowards

Fuck you. I have never raped anyone. This had better be cleared up quickly or I am suing everyone.

Nobody's threatening you, Nancy. Merely stating a fact. If you want in on the lawsuit, just say so and I can accommodate you. Otherwise, please limit your yapping about things you don't fully understand. There's a good girl.

These are the people who LIKED the rape allegation.

It is difficult for me to think of a more heinous, false accusation than rape. And I am not going to sit still for this. I want to know who Roy Schmalfeldt is. I will pay a cash reward to whoever gives him to me if the info pans out. I want to know who he says I raped. I have never raped a soul. In fact, all my life I've been sexually shy. In my dating days, I would never even try to make a move until the girl made it very clear she was inclined to go that way. I am not a rapist and Roy Schmalfeldt is going to pay for that regret.

At the head of the page, you see the front page of the document I will file with the Federal Court tomorrow. Now is the time to choose, MountLeiters. You want some of this? If you promulgate this lie, you will be added to the list. If you give me Roy Schmalfeldt, I guarantee your safety.

This is above and beyond anything anyone has done to me. I feel sick that I even have to write the words, "I am not a rapist."

Think carefully. Act carefully.

Give me Roy's name and address and consider yourself immune.

Once for free. Further amendents must be allowed by the court. I can add defendants at any time.

Nancy, please recall I know your address. It is only because I consider you a dimwit that you have not been served and joined to this lawsuit. Do not assume my kind attitude toward you will continue forever.

Just a quick note, then back to my wife. If the Federal judge rules in my favor on Grady's motion, I am going to add a few co-defendants.
